

Mudit Srivastava

STUDENT

I am a motivated Third-year student with a passion for **web development**, currently seeking new opportunities to further enhance my skills and contribute to a dynamic team. Over the past two internships, I've had the privilege to delve into the world of web development, specializing in **React.js**. Im Well-versed in programming languages such as **Java**, bringing a diverse skill set to the table. I am eager to explore new opportunities as an intern at your esteemed company, drawn by the reputation for innovation and the commitment to fostering growth
